Brick by Brick

The picture above on the left, the Virginia State Capitol is the seat of state government of *The Commonwealth of Virginia*, located in *Richmond*, the third capital city of the *U.S. State of Virginia*. Architects Thomas Jefferson and Charles Louis Clerisseay of France built the capital in 1785. The picture to the right above, are bricks that are part of the walkway in front of the state capital building.

This brick pathway has been in existence for centuries building the foundation of civilization.

Our Brick Tile Fundraiser is to promote funds, which will go toward the court case of the Jefferson Formation and provide a monumental wall inside the Jefferson State Capital in support of all the contributors from the 21 counties.

This project will cost \$123 divided into, two payments as follows:
