

\$500 dollar plus donation license plate program

If your generosity compels you to give to the State of Jefferson \$500 dollars or more, beginning December 1, 2017, you will receive a free limited edition mock license plate. There will only be 2000 of these plates commissioned. The first four characters of the serialized plate will be printed directly on the plate. The last two digits will come as a sticker for the donor to apply. Donors may request digits **XX 0011** through **XX 1999** and if available, will have their selection delivered. If the first two selections are not available, the next lowest number available in the series will be delivered. These commemorative items will also make great gifts for family and friends.

When our State becomes a reality, we will make every effort to petition our legislators to recreate these as actual limited edition plates for use on cars in Jefferson.
