

Welcome to the El Dorado County SOJ Newsletter

Hi Jeffersonians:

If we do not wake up and get the representation the United States Constitution demands, we are all in trouble. Do not forget to vote. It is so important. This is the most critical election in our life time. At this writing, we do not know the election results, but good or bad, the 2018 election will have some impact as we continue our effort for equal/fair representation and to separate from the State. It has been a while since we have had a meeting to just talk about Jefferson, where we have been and where are we going. There will also be some good news about future actions for the coming year.

Please join us on Tuesday November 13th at the American Legion Hall, 4561 Greenstone Road, in Placerville. The doors open at 5:30, when Jefferson dogs will be served, along with beverages and desserts. You will also want to check out the new winter Jefferson gear.

The meeting begins at 6:30 pm, with Jack Parsons moderating. Jack will be setting aside enough time to hear your thoughts about Jefferson and/or ask questions. Do you have some ideas about fundraising, events or other suggestions? Topics or speakers for meetings? This is your opportunity to speak up.

Mark Your Calendars – We have a different day scheduled in December

The December meeting will be Monday December 10th at the American Legion Hall, beginning at 5:30 pm. As we did last year, we ask that you bring either an appetizer or dessert to share. We found that this offers a great opportunity to get to know each other a little better, while also enjoying some good food and celebrating the Christmas season.

Plans are still being finalized. If you have some suggestions to make the evening more festive and entertaining, please let us know at the November meeting or get in touch with one of our committee members.

Listen to Our Radio Shows and Support our Sponsors

On Sundays from 10 to 11 am, it is the *State of Jefferson Hour* on KAHI Radio, 950 AM or 104.5 FM. If you have not been listening to our Jefferson radio shows the last couple of months, you have missed hearing some great guests and first-hand information and updates from our attorneys as well as Mark Baird. Featured guests have included candidates such as Mark Meuser, for Secretary of State, Steve Bailey, candidate for Attorney General, Congressman Tom McClintock and Congressman Doug LaMalfa.

You will often hear from one of our attorney's, Gary Zerman, on *Jefferson State of Mind*, on KCNR Radio, 1460 in Shasta County. The show airs every Sunday, from 9 to 10 am, and you are not only encouraged to listen in, but also call in.

You can listen to both shows on your computer, by visiting their web sites. KCNR radio also archives *Jefferson State of Mind*, so you can listen at a time that is more convenient. Unfortunately, KAHI, only has the podcast available for one week after the Sunday broadcast.

We also ask that you let us know if you are listening to shows, and if so, please visit our sponsor businesses and thank them for supporting the State of Jefferson. The same goes for the business people whose business cards are displayed at the end of this newsletter.

All of us need to visit our local business owners and talk to them about Jefferson. Tell them about our monthly meetings and our recent Business Showcase. Let them know, due to its success, we will be having a bigger Showcase in the summer of 2019. If you have any questions about joining our Business Walk Committee, please see Sharon Durst at the November meeting.

***Best Wishes for a Happy Thanksgiving
To You and Your Family***

Disclosure:

The State of Jefferson Formation is a grassroots effort to restore representation to the rural counties of Northern California. This movement is NOT affiliated with any political party. Over the last four years, presentations explaining the reasons for Jefferson have been given to all political parties, as well as men and women's service organization, chambers of commerce, county taxpayers associations, county and city government meetings, high school government classes, and town hall meetings for the general public, throughout Northern California. The State of Jefferson welcomes everyone.
